Attached please find my edits to the PA. Also, per our discussion yesterday, the study title is: "A Multi-Center Study to Determine the Exposure to Cigarette Smoke of Adult U.S. Smokers Who Spontaneously Switched to Lower or Higher FTC Tar Delivery Cigarettes".

Also, Denise confirmed that we are covered by bid waiver that is currently in place and valid until August of 2004. Gwen should be able to confirm this.

Please let me know if any questions.

Thanks,  
Valerie

Please review the attached document.

Val,

Here is my first crack at this. Give it a "look-see" and let me know what edits you'd like to make. I will circulate as soon as I incorporate your comments and let's see what happens.

Thanks  
B
